

CT-TECH+: CompTIA Tech+ (FC0-U71)

Course Code: CT-TECH+

Duration: 5 days

Instructor-led Training (ILT) | Virtual Instructor-led Training (VILT)

OVERVIEW

CompTIA Tech+ is the foundational certification program designed to build essential tech knowledge across a range of essential domains and provide instructors with the tools they need to guide learners toward a successful career in tech.

SKILLS COVERED

CompTIA Tech+ gives learners the knowledge and skills required to:

- Understand and manage tech infrastructure and computing concepts.
- Troubleshoot and resolve common hardware and software issues.
- Recognize and address basic cybersecurity threats.
- Understand the increasing relevance of emerging technologies.
- Pursue a more advanced certification, such as CompTIA A+.

WHO SHOULD ATTEND?

N/A

PREREQUISITES

CompTIA Tech+ is the only pre-career certification that helps students and career changers determine if they have competency in tech, and if it's the right career path for them.
